

Maternity *Private fixed fees*

***Alleviating your financial burden so
you can enjoy your pregnancy and
birthing experience***

Effective from January 2024

Dear Mommy-to-be,

Congratulations on your pregnancy.

This is the most exciting journey, and we are so pleased and looking forward to being part of your beautiful journey.

As we understand that rising medical costs can leave you cash-strapped and frustrated, we have designed an affordable maternity fixed fee (for patients not on medical aid) to give you peace of mind so you can enjoy your pregnancy and birthing experience.

Cost Breakdown

The hospital quotes a global fee (fixed fee) for the following procedures:

1. CAESAREAN SECTION

Hospital fee:

- **R 32 100.00** for a three-day hospital accommodation, excluding doctors' fees and other service providers, e.g., laboratory, physiotherapy, etc.
- For a sterilisation procedure, it will be an additional **R 1 070.00**

Doctors' fees:

Obstetrician & Gynaecologist	R 11 000.00
Anaesthetist	R 5 000.00
Paediatrician	R 3 500.00

2. NATURAL VAGINAL DELIVERY (NVD)

Hospital fee:

- **R19 300.00** for a two-day hospital accommodation, excluding doctors' fees and other service providers, e.g., laboratory, physiotherapy, etc.
- For a sterilisation procedure, please discuss this with your doctor

Doctors' fees:

Obstetrician & Gynaecologist	R9 000.00
Paediatrician	R2 500.00

Should you or your baby require further medical care and treatment (additional days, theatre procedure, or unforeseen complications), a separate account will be opened, and our administration department will provide you with a cost estimation.
